After School Football Coaching for reception at Meadow Primary

Dear Parent,

Following the professional football coaching that has been taking place in school, there will be sessions taking place after school starting on **Friday 12th November from 3.10pm to 4.10pm**. All children are welcome, boys and girls can be involved, and all abilities catered for. This will be organised on a first come, first served basis.

The sessions are organised and run by a professional school's coach, from Academy Soccer Skills, and will take place in the field/playground, and in the hall when wet. The sessions will combine skills training and small sided games. Children should wear their P.E. kit or their own football kit. They need to bring a drink and snack.

A register will be taken for each session, so the children should gather and change in the sports hall and should also be collected from there. The sessions will run regardless of the weather, including videos and quizzes if outdoor activities have to be cancelled.

Please return your permission slip and payment before Friday 22nd October and return it to the school office marked "After school football - Academy Soccer Skills"
Or by back: sort code 09-01-28 account number 81189811

Yours Sincerely
Mr Ross Blair
Director
