Dear Parents and Carers

POSITIVE CASES OF COVID 19

Unfortunately, we have been notified of two positive cases of COVID 19 this week, one in Year 3 and one in Year 4. We have had to make the decision to close both year groups for the 10 day isolation period. This period of isolation only affects the child from the Year Group and other members of the household are not required to self-isolate under current government guidelines.

Moving forward, in order to minimise disruption to as many children and families as possible, the children will be having lunch in their classrooms for the remainder of the term. In this way, the children will be working in class bubbles and any positive cases will be contained within the individual class.

Whilst I appreciate this is not the news that any of us would wish to hear, cases are rising across the country and the media are reporting that the new strain of the virus seems to be more transmissible. As a school, we continue to adhere to a strict system of controls and please do contact us as soon as possible if your child or member of the household becomes symptomatic or has a positive test.

Yours sincerely

Laura Benardout
