School Closure

Dear Parents and Carers,

The Bourne Education Trust has made the decision that our school along with two other primary schools in the Trust will not open on Monday 4th January 2021 for face to face teaching as a result of the pressures of the COVID-19 pandemic, other than for critical workers and vulnerable children.

This decision has had to be made based on the very high infection rates in the areas in which our schools are based and the level of staff shortages we face. This decision is until further notice but will be reviewed no later than the 18th January 2021.

The Trust and the school are extremely sorry for the very late notice that this gives you and the extra burden this places on you as parents and carers. We would like to thank you for continuing to support us as we collectively face an unprecedented and ever-changing situation in educating our young people.

We will ensure that all our pupils receive a high quality of education and care whether this is provided onsite or remotely.

If your child is eligible for a place at school as you are a critical worker or your child is considered vulnerable, please fill in the form on the corresponding Parentmail.

Kind regards

Laura Benardout
