Meadow Primary School – Consultation on changes to Admissions Arrangements 2022/23

Meadow Primary School is seeking views on proposed changes to the School's admissions arrangements for 2022. When the school is oversubscribed for a year group, we propose that applications for entry in 2022/23 will be ranked in the following order:

1. Looked After and previously Looked After children
2. Exceptional social / medical need
3. Siblings
4. Children of staff who work at the school
5. Distance from the child's home address to the school

There is one change proposed from the 2021/22 admissions arrangements. This is to remove the priority given to children for whom the school is nearest to their home address. This will mean that if the school is oversubscribed priority will be based on a straight line distance from the child's home address to the school. This change is in line with changes to use of 'nearest school' in community and voluntary schools being proposed by Surrey County Council. Based on the previous three years' intake the allocation of places will be no different than if 'nearest' school was used as a criteria.

A full copy of the proposed 2022/23 admissions policy is attached to this letter. Please send any comments to info@meadow.surrey.sch.uk or by post to Meadow Primary School, Sparrow Farm Road, Epsom, Surrey, KT17 2LW. Comments should be addressed to Ms L Benardout, Head of School. The closing date for comments is 20 January 2021 (the end of the consultation period).
