<p>In Reception, children will be able to play a range of percussion instruments. Children will be able to sing a range of familiar songs and rhymes. Children will be able to perform in front of an audience.</p>	<p>In Year 1, children will be able to recognise different musical structures e.g. tempo, timbre and rhythm. They are able to clap or tap to the beat and play a few simple notes on the glockenspiel</p>	<p>In Year 2, children will be able to use their voices expressively and creatively by singing songs and speaking chants and rhymes. Children will play tuned and untuned instruments musically. Children will listen with concentration and understanding to a range of high-quality live and recorded music. Children will experiment with, create, select and combine sounds using the inter-related dimensions of music.</p>	<p>In Year 3, children will be able to read basic musical notation and understand beats in a bar. They will be able to play some tunes on tuned instruments. They will be able to listen and evaluate a piece of music.</p>	<p>In Year 4, children will have learnt to sing songs from a variety of genres and eras. They can accompany the songs using glockenspiel and recorder, including their own compositions.</p>	<p>In year 5, children will have an awareness of different genres of music and know their stylistic differences. They will be able to learn a song and improvise using noted and unnoted instruments.</p>	<p>In Year 6, children can improvise and compose their own music using a variety of instruments. Through their leavers play, they develop their singing skills, practicing harmonies, solos and altering their pitch.</p>
